Council Rejects Employee Layoffs To Cut Deficit

Mayor Plans Conference To Seek Other Means To Cut City Expenses

Layoffs for 22 city employees as a means of cutting Granite City's anticipated \$130,000-\$170,000 deficit were ruled out Monday night by the city council.

With the Personnel committee voted down 10-to-5, Mayor Dowd declined to comment on what steps might be taken, but said he would schedule a conference with Comptroller John Dooley and City Atty. William Wieser to determine how economy measures are available.

The mayor had suggested layoffs for 30 employees along with cutbacks in city projects and equipment purchases. No specific recommendations were made on the projects and equipment proposals, but bids for several city improvements, referred weeks ago to committee, were not submitted for approval.

In the past week, council committees have conferred with city partners to hear what could be done to reduce the use of work forces. However, the recommendation for laying off 22 workers was outlined and Committee Chairman Wieser called for a discussion.

Storm of Protests

First to comment were Aldermen Rufus LeMaster and Ward Northern, both solons who reside in the red areas. "There's nothing to get excited about," LeMaster said. "Other cities are in the red and their insurance rates are up. Our insurance rates will go up. There's plenty of work for the departments and those sewer breaks causing the deficit aren't our fault."

Nom said the city could use the \$30,000 deficit as suggested by the mayor, to cushion the deficit. "The problem can be worked out, and we'll do what we can to see if we can't get the high taxes being paid." He added that it was solely because of the \$30,000 expenditure for sewer repairs that the city will get a tax rate reduction. "I hope the layoffs would save the city about \$37,000 in salaries alone for the remainder of the fiscal year."

Lawyers Present

The committee proposed to cut the street department by eight men, the sanitation department by six, the police by two each, abolish the office of assistant city inspector and transfer him to the sanitation department, retain one of the two city hall janitors and the city street superintendent in the clerk of the city court's office and also the part-time clerk hired to count police and called police and an ambulance.

Mrs. Monroe's husband, Leon, is at work at the time. He is employed at General Steel Industries.

Survivors, in addition to Mr. and Mrs. Monroe, have two other children, Carol Ann Jones and Earl Michael Jones; and her father, Michael J. Bielecki, and her two sisters, Mrs. Raymond (Margaret) King and Mrs. Maurice (Mildred) Cowan, both of Granite City; Mrs. George (Marie) Dattner of Madison; and Andrew (Kathleen) Polyan of Florida and Mrs. Tony (Agnes) Stanisic of East St. Louis; and her son, Joseph Bielecki of Granite City.

Mr. and Mrs. Michael Stenitzer, 1521 Beeken Street; Mr. and Mrs. Robert Robins, East St. Louis; Mr. and Mrs. Joseph Arico, 3117 Jill avenue; Mr. and Mrs. Norman Miller, 157 Troeckle lane.

\$85,000 Drop In Madison Bridge 1960-61 Income

An annual report on finances of the Rock Island Bridge for the 1960-61 fiscal year ended last April 30, approved by the Madison city council Tuesday night, shows an \$85,739 decrease in net income from the previous year.

The report lists a \$10,857 increase in operating expenses, while gross income was down \$81,858 over the year before. Bond interest costs decreased by \$12,800.

Major income decrease was an \$8,000 drop in revenue from gasoline taxes, which was only partially offset by a \$444 increase in income from investments. Miscellaneous income was down \$1,200.

Mayor Stephen Maeraas told the city council that the loss of income was due primarily to a new pump installed at the gas station owned by the city, which the county should call voter referendums to increase tax rates. The rates had been virtually in half earlier this year through a state Supreme Court ruling.

Detours. **Faster Trucks.**

Emergency tax relief sought by Madison county and 11 other counties in the state was denied last night by the legislature's revenue committee during hearings in Springfield.

The committee, by vote of 21 to 13, refused to report the bill to the floor, indicating the counties should call voter referendums to increase tax rates. The rates had been virtually in half earlier this year through a state Supreme Court ruling.

Detours. **Faster Trucks.**

Emergency tax relief requested by a group of 11 regional automobile transportation agencies was denied by Assistant State's Attorney Burton Bierman of Granite City and Thomas Bierman, and also by G. W. Hoelscher of Granite City and Thomas Bierman, and the six-owner drivers also had an effect, said Maeraas.

Supporters of the proposed bill, which was included in Gov. Rock's budget, argued that the new pump would save money.

Opponents stressed the county for the past several years has levied a 10-cent tax rate, while the Lewis and Clark rate was 10 cents.

After Alton at St. Louis, and the resulting loss of oil transport traffic.

Detours. **Faster Trucks.**

Emergency tax relief requested by a group of 11 regional automobile transportation agencies was denied by Assistant State's Attorney Burton Bierman of Granite City and Thomas Bierman, and the six-owner drivers also had an effect, said Maeraas.

Also, the mayor said, the factors in the bill, which he supported, are given an accurate comparison because they include a 10-week period when Chain of Rock traffic was increased 10 percent, while the Lewis and Clark rate was 10 cents.

The mayor said statistics for the last five years indicate the county is currently operating at about 12% less income than the previous or "normal" level, but added that he is confident the situation is temporary.

\$100,000 Yearly Profit

For the present year, he said, the bridge is adding some \$400,000 annually to Madison finances, including \$100,000 received directly by the city treasury, but will permit them to continue with the pattern set in past years.

A breakdown of the 1960-61 bridge report, issued during the audit, showed the bridge earned \$100,000 in 1960-61, totaling \$48,131; tolls \$160,428; debt \$70,000; \$21,374; down \$11,683; total tolls \$22,046; down \$8,631. Pole and pipeline privileges, \$7,000; same; interest on investments, \$8370; up \$344; other income, \$29; down \$88.

City Halts Repairs On Terrace Lane Sewer

Bids Under Study To Replace Line; Section Of Omaha St. Collapses

The city has given up trying to repair the collapsing Terrace lane sewer and is now studying three bids opened Monday evening for a section of Omaha street pavement sagged, caused by an old, abandoned sewer.

Work on the fifth break in the Terrace lane line had been halted and the city has purchased its own pumps and the equipment to haul away the earth removed to cut out the 100-foot sewer line.

Mayor Davis said the \$300,000 sewer line had been noted since railroads began hauling new cars. Construction and detection of the main line, which on the surface, had been damaged by the city-owned drivers, had also had an effect, said Davis.

Also, the mayor said, the factors in the bill, which he supported, are given an accurate comparison because they include a 10-week period when Chain of Rock traffic was increased 10 percent, while the Lewis and Clark rate was 10 cents.

The mayor said statistics for the last five years indicate the county is currently operating at about 12% less income than the previous or "normal" level, but added that he is confident the situation is temporary.

TEAM STRATEGY being outlined by Tri-Cities' business leaders on Tuesday night's kickoff dinner where workers reported 24.9% of the \$298,463 goal achieved. Looking on is General Chairman Sidney L. Aubrey.

Plan Tavern Hour Petitions After Pastors' Talks Nov. 12

Circulation of petitions with Madison county officials were planned Tuesday as part of the new County Ministerial Association's drive for uniform tavern hours.

Petitions are to be circulated by laymen after ministers of the county address their congregations on the issue Sunday, Nov. 12.

Ministers ask the County Board of Supervisors to adopt a closing law of 1 a. m. weekdays, and 2 a. m. Sundays, and

to ban in asking the Illinois legislature to enact a uniform tavern closing law.

Facts and background information on the petition drive are being compiled and are to be distributed next week to pastors throughout the county for further dissemination to their congregations.

Meet With State's Attorney

The newly-formed county association's executive committee, in addition to holding a planning meeting Tuesday at St. John's Methodist Church, Edwardsville, met with State's Attorney H. Mudge.

Conferences also are planned with Sheriff George Muza, Gaspari, who is county board chairman and county liquor commissioner, and the County Board of Supervisors' liquor committee.

During Monday night's council session, Consulting Engineer David J. Johnston said he felt the new sewer line would cost \$48,131; tolls \$160,428; debt \$70,000; \$21,374; down \$11,683; total tolls \$22,046; down \$8,631. Pole and pipeline privileges, \$7,000; same; interest on investments, \$8370; up \$344; other income, \$29; down \$88.

Girl Scout Recognition Banquet Tuesday Night

The annual recognition dinner for adults in Girl Scouting will be held next Tuesday, Oct. 24, at the Madison-Venice American Legion Home in Venice, beginning at 6:30 p.m.

Guest speaker will be Mrs. Paul Simon of Troy, former member of the Illinois House of Representatives and wife of Paul Simon.

A motion for the dissolution of the present Tri-City Girl Scout Council will be voted upon at the recognition dinner according to Mrs. Dolores Eubanks council president. The motion has previously been recommended for adoption by the

City Receives Safety Award

A certificate of recognition placing Granite City on the American Safety Council's "Honor Roll for 1960" for a commendable record and program in protecting children of school age presented to the police department during Monday night's council session.

In accepting the scroll from Alderman Frank Vesce, chairman of the Police Safety committee, Alderman James B. Mayol said the award was possible through the cooperation of school facilities and the pupils in the city.

With the award, Granite City is placed on the AAA honor roll of cities for its achievement last year.

Bill Wyatt Named Jaycee of The Month

Bill Wyatt received the Sept. 2nd award at the organization's regular dinner meeting Tuesday night at the Rose Bowl restaurant.

The award was presented by Jaycees President Jerry McDermott, who said it came primarily as a result of Wyatt's work in getting the state Jaycees to support the Granite City Jaycees because of a group of local members who successfully bid for the event at the recent state convention at Davenport.

Speakers at Tuesday's meeting were Parsons, who represented the local Jaycees, and a Dacula club, who described his trip and the convention, illustrating his talk with color slides and Puerto Rican music.

SOCIETY

Mothers' Group Plans Events

A special meeting of the Salmon Falls High school mothers' called Monday evening in the kindergarten room of the school to revise room lists in preparation for the annual event of the session. Mrs. and Sisters introductory tea Oct. 22, and the Fall Festival to be held Nov. 11. Many calls for contributions, gifts and other items will be received and the revised lists will be available.

The meeting was called to order by Mrs. Helen Stimpert and a discussion opened as to suitable items to be donated. Mrs. Gail Gargan, chairman of the adult "take care" booth, made suggestions and Mrs. Erma Wilson, chairman of the children's "take one" booth suggested toys and games as suitable items for donation by the mothers. There was a report by Mrs. Bernice Noxon, who said undecorated cakes will be decorated at the stand with whimsical novelties, candy and gumdrops.

Others present were Messmates Bea LaManah, Helen Rehman, Helen Bertaccini, Dorothy Ward, Paula Vassallo, Doris Huff, Betty Pauli and Mattie Sotiroff. Sotiroff was a representative of the PTA.

In observance of National Education Week an "open house" will be held Nov. 7 with parents invited to visit and talk over class problems with the teacher. The open house will be held Nov. 21. The attendance banner went to William Cotter's room and refreshments were served to 70 members and guests.

Fire Officers Speakers For PTA

Assistant Fire Chief Curtis Donley and Capt. Leonard Wilson were guest speakers Tuesday evening at a meeting of the Prather junior high school PTA. Chief Donley discussed fire prevention in the home, stressing the need of home fire drills.

Capt. Wilson demonstrated how room deodorizers and hair spray would burn. He also warned against the use of matches, eggs and matches, because of the danger of explosions. A fire prevention film entitled, "Before It Happens," dealt with trash in basements, defective electrical wiring, matches, rags, etc., which were shown in schools and places, safe fire escapes and other fire hazards occurring daily. Interested Alton Cleon, school principal, who in turn presented the teachers to the PTA.

In observance of National Education Week an "open house" will be held Nov. 7 with parents invited to visit and talk over class problems with the teacher. The open house will be held Nov. 21. The attendance banner went to William Cotter's room and refreshments were served to 70 members and guests.

Miss Cowan Addresses PTA

Miss Mary Cowan, special education consultant in the Granite City school system, was guest speaker Tuesday evening at a meeting of the McKinley school PTA.

Her topic was on the topic "It's up to us to see it all begins at home." She outlined the help parents can give their children to help them to better adjustment and the importance of the gains to be made by applying themselves at school by learning and by outside activities, as well as being good citizens.

For Mrs. Richard Hamilton, president, was in charge and the meeting was held in the hall of the McKinley school on Wednesday, Nov. 8, during National Education Week. Announcement also was made for the open house which will take place Nov. 16 with the McKinley school as host. A special program is being planned for the open house.

The attendants were Mrs. Connie Davis of East St. Louis and Melvin Arbogast. Mrs. Davis was attired in royal blue. Her flowers were white carnations.

The mother of the bride was an eggshell brocade sheath dress while Mrs. Cooper, the bride's mother, was in black. Both wore black accessories and white carnations corsages.

The attendants were Mrs. Connie Davis of East St. Louis and Melvin Arbogast. Mrs. Davis was attired in royal blue. Her flowers were white carnations.

For the second time in succession the attendance award went to Mrs. Pearl Cooper's fourth grade class. Between the two classes who served in the cafeteria from a table decorated in keeping with the theme, a total of 95 percent of 60 were present. The hospitality committee was composed of Mrs. Hubert Wickham; Mrs. Wayne Baird and Mrs. Alton David.

Open House At Lake School

"Open house" was held Monday at Lake grade school, with a Parent-Teacher Association meeting preceding parents' visit to classrooms.

The president, Mrs. Lorraine Bartholomew, conducted a business session and introduced the school principal, Arthur Monroy, who spoke briefly on the topic of parental and teacher working together on problems of children.

The unit voted to join the Area PTA, and reports were given by Mrs. Katherine Bartholomew and Mrs. Eleanor Bonart. A balance of \$23 was announced. Mrs. Lucille Caban explained a leadership course to be held in October which set forth the importance of the unit being represented.

Mrs. Christian Clark reported on the "Halloween" party held Oct. 27, from 6 to 8 p.m. at the school. An attendance rocket was awarded to Edward Meng's sixth grade class for the highest percentage of parents present. Refreshments were served to 112 adults and 87 children with the decorations in keeping with Halloween.

The staff will include Mrs. Celia Greely, secretary; Mrs. Johnna Thompson, treasurer; and Mrs. Pearl Parker, flower secretary. Mrs. Alma Dorsey is the class teacher.

Eleven were present, including two guests, and plans were made to meet in November with Mrs. Parker on State street,

Cooper-Schwartz Nuptials Here Last Evening

Miss Shirley Kay Schwartz, daughter of Mr. and Mrs. Floyd Schwartz, 1818 St. Clair avenue, East St. Louis, and Guy R. Cooper, son of Mr. and Mrs. Guy Cooper, 1818 St. Clair, were married last night at Niedringhaus Memorial Methodist Church.

Guests were seated at tables in the parlor, with the bride and groom seated at the head of the table.

The program consisted of a playlet, "Worried Outfit," an Unlacing, and the devotional service was led by Mrs. Spangler. The topic was "Be Thou Our Guide."

The November meeting will take place at the home of Miss Irene Aerns, 1609 Garfield avenue.

Central Christian CWF Meeting

Group Two of the Christian Women's Fellowship of Central Christian Church, joined in a Russified Russian afternoon in the home of Mrs. Muriel Springer, 260 Adams street.

A one o'clock dessert luncheon was served to eight members and a business session was

conducted by Mrs. Myra Parry, leader. Thanksgiving and Christmas plans were made for the open house.

All arrangements were simple.

For Mrs. Wanda Borchardt, the bride, was wearing the white Chantilly length dress of white Chantilly lace and net with long sleeves.

A short veil was held in place by a jeweled pearl and a white bird carried a semi-cascade of white carnations.

The attendants were Mrs. Connie Davis of East St. Louis and Melvin Arbogast. Mrs. Davis was attired in royal blue. Her flowers were white carnations.

GC Sophomores Use Conversions To Edge Wood River, 14-12

Two successful conversions after touchowns enabled Granite City high school's sophomore football team to edge Wood River 14-12 Monday night on the home gridiron.

The extra points came after second and fourth-period scores set up by two long runs by Fullback Norm Nelson. With 1:15 left in the second period during a scoring drive capped by Jerry Nelson's four-yard plunge for the TD, Jack McLean converted a 2-point conversion for the seventh point.

Wood River scored twice in the third period, but missed both conversion attempts and led 12-7 at the fourth-quarter break.

The final scoring drive by Joe Fedora's team began with four minutes left, and starting set up a one-yard conversion for the final yardage from the three, and Bob Pyle plunged for the extra point.

Both touchowns were scored by the "Grinders," backfield, a unit which sticks mainly to power plays to eat up yards.

Depleted as a unit to 19 players, divebouts and injuries, the sophomores now 3-2-1 for the season will play East St. Louis here Monday at 4 p.m.

Homecoming Game, Other Activities Yet To Come

Annual Homecoming activities at Granite City high school began with the Alumni banquet and election of officers, the Homecoming dances, and the traditional Homecoming Parade.

Height of activity will be sustained tomorrow night, however, as the Harvest Queen is crowned in the school auditorium. The annual Homecoming play, with both the play and the crowning of the queen to be repeated Saturday night.

With a theme of "The Big Takeoff," the 1961 Homecoming began with an all-school assembly yesterday, and featured the usual parade and pep rally yesterday.

Seventy students immediately turned out to tonight's game, in which the Warriors face the powerful East St. Louis Flyers at 8 p.m. The field's new score board will be representatives of the school of Granite City Trust & Savings Bank, which donated

the board, and of local labor, which gave work to erect it.

The Alumni banquet was given off in the school cafeteria, with election of officers to follow. Proceedings are set to end at 11 p.m. for those present at the annual Homecoming.

The annual dance, this year themed "The Big Blast," will follow the football game. Open to the public, it is to be held in the school auditorium, with both the play and the crowning of the queen to be repeated Saturday night.

Curiously, the Homecoming plan, the one agreed upon, had the Alton Mayor would upset Parkview's boosters, boosted the electrician's school's "average" back to the respectable level of 42 percent in 25 games.

After gobbling up statistical information on the various opponents this week, Claude ground out the following predictions, rather hopelessly, since his goal is the 75% mark.

SOCIETY B&PW Club Observes 40th Anniversary With Banquet

Mrs. Phyllis Voss

Is Honoree

Mrs. Phyllis Voss was complimented last night at a cradle shower given by Mrs. Wanda Wilshus, Mrs. Ned Luedtke, Mrs. Mrs. Donie McVay and Mrs. Myrna Rappaport at the IOOF hall.

Refreshments were served and games provided entertainment.

Guests present were Mrs. Estelle Marcus, Myrtle Rappaport, Mrs. Ned Luedtke, Diane Hessel, son, B. T. Barinica, Elizabeth Suerch, Cecilia Cole, Marlene Voss, Ruthry Voss, Mrs. John L. Lavenza, Gladys Patterson Jane Kaucher, Catherine Suerch, Misses Jane Hartzel, Barbara Voss, Kathleen Stuech and Tom Michael.

Pink and blue decorations were used and many gifts were presented.

ATTEND COUNTY SALON MEETING IN BETHELHOMA

Members of the County 33 of the Eight and Forty met Tuesday evening at the American Legion Home in Bethelhoma. Plans were discussed to attend a meeting in October at the State Fair. In the evening were Mrs. Mabel Hunt and Mrs. Violet Neuman, and refreshments were served from tables decorated in a fall theme.

Members attending from the Quad-Cities were Mrs. Dorothy and Northen Hause, Mrs. Hazel Dines, Mrs. Winifred Costello, Mrs. Frances Cowley, Mrs. Estelle Marcus, Mrs. Kathryn Sauer and Mrs. Ann Zalewski. The November meeting will be held in Alton.

HOSTESS TO KARDETTES CLUB

Mrs. Emma Jakich, 2335 Waterman avenue, was hostess to the Kardelettes Club last night. About 40 members of the club, including the hostess, Mrs. Frances Skulish, Mrs. Margaret Green, Mrs. Betty Papp and Mrs. Barbara Nettell.

A buffet luncheon was served from a table decorated in keeping with the Halloween season.

More than 50 members and guests attended the 40th anniversary dinner of the Quad-Cities Business and Professional Women's Club last night at the IOOF hall.

The hand-decorated tables were decorated in red and white, flowers and a bouquet of red carnations were on each "rubies" table.

On the remaining tables and favors were red and white flower arrangements. The "rubies" theme extended to the programs which were decorated with red ribbons and sequins.

Mrs. Esther Allard, public relations chairman, served as general chairman. She was introduced by the club president, Mrs. Verna Lengel, who also presided at the organ by Jack Johnson.

Guests introduced were Mr. and Mrs. Carl Giese, Mr. and Mrs. Morton, Mr. and Mrs. Andrew Gasparovic Jr., David Morgan Jr., Mr. and Mrs. Norman Kramer, Miss Avanella Lee, John Gage and Mrs. Helen Gant.

There was a program of singing by the club members.

The speaker of the evening was Henry D. Karadzoff whose topic was "Party in the Rockies."

After the program, the club published its history of the club since its organization in 1921 and also discussed the threat of Communism to the world.

Past presidents of the club.

Raymond Barrs Are Honored

Mr. and Mrs. Kenneth Rapp, 5 Terrace lane, entertained guests at a surprise celebration in their home last night honoring Mrs. Rapp's parents, Mr. and Mrs. Andrew Gasparovic Jr., David Morgan Jr., Mr. and Mrs. Norman Kramer, Miss Avanella Lee, John Gage and Mrs. Helen Gant.

Guests introduced were Mr. E. H. Dodge, Mr. and Mrs. F. E. Rapp, Mr. and Mrs. G. W. Seeliger, Mr. and Mrs. Frank Lester and Mr. and Mrs. Charles J. Byrns, son-in-law and daughter of the honor guests.

The proverbial road to success is paved with good intentions and bad inventions.

Page 10 Thurs., Oct. 19, 1961

honored at the meeting were Mrs. Mary Mortensen, Ruth Weston, Miss Morene Johnson, Mrs. Doris, Mrs. Irene Hickam, Mrs. Judy, Miss Irene Baumer whose mother, Mrs. Clara Baumer, was instrumental in the club's organization. Mrs. Dolores Allen and Mrs. Edna Thurber.

All were special guests from the club. Mrs. Lucy Rapp.

Other past presidents unable to attend but from whom communications were read were Mrs. Dorothy Klemm of Edgewood, Mrs. Pearl Rosenbaum of Florida, and Mrs. Lettie Scherzer. In honor of the club's anniversary, the members decorated with red ribbons and sequins.

Mrs. Esther Allard, public relations chairman, served as general chairman. She was introduced by the club president, Mrs. Verna Lengel, who also presided at the organ by Jack Johnson.

Guests introduced were Mr. and Mrs. Carl Giese, Mr. and Mrs. Morton, Mr. and Mrs. Andrew Gasparovic Jr., David Morgan Jr., Mr. and Mrs. Norman Kramer, Miss Avanella Lee, John Gage and Mrs. Helen Gant.

There was a program of singing by the club members.

The speaker of the evening was Henry D. Karadzoff whose topic was "Party in the Rockies."

After the program, the club published its history of the club since its organization in 1921 and also discussed the threat of Communism to the world.

Past presidents of the club.

VISIT IN OZARKS
Mrs. Homer Anderson and children, James and Judy, 2647 Circle Drive, spent the day at the farm home of Mr. and Mrs. Tom Robertson of Dixon. While they were there, Mrs. Anderson sang "I'm a Little Teapot" and daughter of Salem, Mo. and Thelma Bixler, also of Salem, visited the Andersons home Sunday evening.

11TH BIRTHDAY

Pauline Johnson celebrated her 11th birthday Sunday with a dinner given in her honor by Mrs. Norma Walton.

Guests were grandmother, Mrs. Ruth Hibbs and Gary Wright, Arvila and Kevin Taylor, Judy, Neida and Chuck Wall.

BEAN COOKERY IS LOTS OF FUN

You'll find dozens of bean recipes in your home cook books, for soups and casserole dishes, all easily prepared for hearty, tantalizing, economical meals.

You just can't beat baked beans, topped with zesty wieners and C. W. Catsup! Add a crisp salad, some French bread... and what a treat!

Boston Baked Beans

2 Cups Navy Beans ½ Pound Salt Pork, Sealed
2 Teaspoons Salt ¼ Cup Molasses
1 Cup Boiling Water ¾ Teaspoon Mustard

Wash the beans. Cover with warm water. Heat to boiling. Simmer until the skins are easily pulled back. Add a thin slice of seasoned salt pork. Turn slice up, on top. Combine molasses, salt, mustard, boiling water, and chili powder. Pour over beans. Add sufficient boiling water to cover. Cover and bake in slow oven (300° F.) 6-8 hours. Uncover. Bake 30 minutes. 8 servings.

Wolfe Low Bidder On Planned SIU Building

M. H. Wolfe Co. is apparent-
ly the low bidder on construction
of a new physical education
and library building at Southern
Illinois University at Carbondale,
it was announced Tuesday.

The Granite City firm's bid
of \$2,000,000, regular cost of
construction of the building is yet
to be approved by the SIU trust-
ee board. Completion of the
10-story, 100,000-square-foot
structure is not expected before the fall
of 1963.

Bids for the entire project, in-
cluding construction, plumbing,
heating and other work
totaled \$4,199,113.

House Paint Discovers Hidden In E. Granite

Discovery of white paint
on houses, garages and fence
in the vicinity of East 24th
street and Nameoki road was
discovered yesterday morning
by several housewives who
City Inspector Jack Fricker
who interviewed five homeowners
said today he was surprised
to find the mayor's home
Hardest hit was the home of
Harold Lorentz, 2404 Nameoki
road. Mrs. Lorentz, 60, found
the front door, entrance hall
overhanging with a brownish stain.
A wooden fence, painted white,

Ryckman Improving

John Ryckman, 2830 Madison
avenue, retired Granite City
physician, was listed in
satisfactory condition today at
Jewell Hospital, St. Louis.
Ryckman who entered the hos-
pital for a routine checkup, un-
derwent surgery.

Two weeks ago, also dis-
covered by neighbors of Albrecht
Casner-Stuhlbach, whose trim also
was found stained yesterday.

The same situation developed
several years ago in another
house on East Granite.

Hope for the best — but if
you really expect to succeed
out and pursue it.

Past Presidents Are Honored By Eagles

Members of Eagles Lodge 1128
honored past presidents of the
organization last night during a
special banquet held at the
Eagles home, 2538 Madison ave.

The banquet was the first in
the history of the local fraternal
order honoring past presidents,
who took steps to organize a
new organization, said and
meet at the Eagles home next
Tuesday at 7 p.m. to complete
organization. William Smith was
named president of the new organiza-

Bartosiak, Carl Buer, William
Hoffman and Hubert Hirsch.

Members and guests were
served a steak supper, prepared
by members of the Eagles Auxil-
iary. Mrs. Juanita Blevins,
wife of the president, presided.

The banquet was the first in
the history of the local fraternal
order honoring past presidents,
who took steps to organize a
new organization, said and
meet at the Eagles home next
Tuesday at 7 p.m. to complete
organization. William Smith was
named president of the new organiza-

tion.

Past presidents who were re-
called and who were spoken
of briefly included Jack Caby, Andy
Shuppert, Jess Hadley, Robert
Roberts, William Smith, Edmund

Wolff To Be Honored By Jewish Federation

Harry Wolff, local business-
man, is one of eight past presi-
dents of the Southern Illinois
Jewish Federation who will be
honored Sunday during the 20th
anniversary meeting of the federa-
tion to be held at the Stamford
Hotel, the Chase Hotel in St.
Louis beginning at 6:30 p.m.

Rabbi David S. Rosenblatt, di-
rector of the Aliyah department
of the Jewish Agency for Israel,
will be the principal speaker.

Wolff was president of the
federation in 1959-60, and will be
honored Sunday during the 20th
anniversary meeting of the federa-
tion to be held at the Stamford
Hotel, the Chase Hotel in St.
Louis beginning at 6:30 p.m.

Granite City PRESS-RECORD Thurs., Oct. 19, 1961 Page 17

School Girl Molested

Police are looking today for a
young man of average height
and weight who stopped a 12-year-old school girl on her way
home at 21st street and Cleve-
land blvd. yesterday at 4 p.m.
The girl said he forced her to go
with him and she refused. She
said he then held her by her
arm and walked her across
the street. He never told her
name and address and said he
would meet her there today.
When she started to cry, he
turned her loose and ran south.

EDITORIAL . . .

(As part of its current observance of National Newspaper Week, the Press-Record today opens its editorial space to the three local mayors.)

The guest editorials by Mayors Davis, Maeras and Lee—written especially for today's issue at the invitation of the Press-Record—reflect the local officials' recognition of the need for accurate, objective reporting of news and for vigorous editorial comment on vital, but not necessarily headline, issues.

(The Quad-City governmental leaders, however, call for more, rather than less, scrutiny and constructive criticism of public issues, and stress the ultimate good of the public as the factor determining how responsibly the newspaper carries out its duties. The Press-Record herewith rededicates itself to the cause so ably outlined by the mayors.)

Newspaper Should Voice Its Opinion On All Controversial Issues, Policies

By LEONARD R. DAVIS,
Mayor of Granite City

A newspaper should have two main functions in the community which it serves. One is the reporting of news in an objective manner. The second is the expression of opinion on controversial issues and the focusing of public attention on important but perhaps obscure issues through its editorial writings.

During this observance of National News- paper Week, we would like to call on all newspapers for increased recognition of this second function. News coverage by press, television and radio has, during the past decade, reached a point where the public is practically saturated with detailed information on the news of the day. The same cannot be said, however, about editorial coverage.

We feel that a newspaper owes a duty to the public to stand up and be counted on all controversial issues before the public, and to comment on and advise the public in issues that should be exposed to the light of public opinion.

We feel that these statements apply particularly to local issues, those issues that arise out of its operation. Good government, and that is to say good politics, has nothing to fear from the closest scrutiny by the editorial writer. The leaders of local government, we feel, in the main, welcome constructive criticism and the expression of views on the policies which they seek to administer.

What we are asking for is a return to the day when the "Editorial Page" was really a page and not just part of a column. A return to the day when the editor was recognized for his searching and informed editorial policy and not for his accuracy in reporting the bride's trousseau in Saturday's wedding.

Progress, Service To Public

Key Objectives Of Newspapers

By STEPHEN MAERAS,
Mayor of Madison

The week of Oct. 15 to Oct. 22, 1961, has been designated as "National Newspaper Week," and I believe that it is both fitting and proper for me to write to our local newspaper as to my thoughts relative to the part of a newspaper in our daily lives.

The First Amendment to the Constitution of the United States, among other things, provides that "Congress shall make no law . . . abridging the freedom of the press." The Bill of Rights of our State Constitution provides "Every person may freely speak, write and publish on all subjects, being responsible for the abuse of that liberty." The rights of the press, being thus firmly established in the fundamental principles of our state and nation, carry with it, as is set forth in our State Constitution, the responsibility for the abuse of that liberty.

It is my opinion that a newspaper should always direct its efforts, not only to the publication of current news, which is generally of passing interest to the public, but also to the progress of the community which is of, never-ending importance to all of us.

Effect of Purchase On School Income Studied

An advance study and evaluation of expected future tax revenue for the Madison school district shows that a decrease although one might be expected, in property taxes of warehouse buildings by the Tri-City Regional Port District takes place, School Atty. Austin Lewis reported to members of the Madison school board Tuesday night.

Madison Supt. of Schools Wensel Brown told the board that an increase in business taxes probably will not occur, since the loss in assessed valuation of the Port District under law is not a taxpaying body and therefore no property taxes paid by those leasing the facilities.

"Also, a loss in (school district) valuation will result in more state aid," Brown said. "The school district tax income might be lowered by as much as \$10,000 if the purchase is completed."

Lewis said that he talked with attorney for the school district about payments to the school district "will continue to receive tax money." Lewis advised, "This is not an immediate problem, but one that needs advance discussion."

Lewis also a member of the Port board said that in the agreement (with the school district and other taxing bodies) that I wasn't satisfied with. These are being worked out.

He expects to make a full report at a later date, he said.

Charged With Speeding

Charged Monday afternoon with speeding in Granite City was Robert E. Becker, 23, East St. Louis, who posted his driver's license as bond.

He agreed to make a full report at a later date, he said.

TRY A CLASSIFIED AD —

As one of the public officials in the area served by this newspaper, I believe that all elected or appointed, local officials dedicate themselves to the program that service to the community and the public therein should be their watchword and the ultimate goal to which they should direct their attention and efforts. This should likewise be the goal of a newspaper-service to the community, and to all of the public comprising it.

The mere publication of news by a newspaper without its adherence to the underlying principles of fighting for progress, against injustice and oppression, and conscientiously devoted to the public interest, would be only of temporary benefit to its readers. But a continuing effort by a newspaper dedicated to the public well-being is of a permanent nature—it not only affects the lives of those who live today; but it secures and makes certain the freedom and happiness of those who will come after us.

I am unable to be able to say that in my opinion the Granite City Press-Record has accepted and lived up to its responsibilities and that it has directed its efforts to the public welfare. There have been occasions when many of your readers, including the writer, have disagreed with editorial statements as to the means of effecting progress and as to the aims and motives of public officials even as the views of newspaper have occasion disagreed with the views of public officials as to what constitutes the public good; but the important thing is that so long as the efforts of both officials and the newspaper are directed toward the same goal, with good motives and for justifiable ends, the community will progress.

Bernard Baruch once said, "Every man has a right to his opinion, but man has a right to be wrong about his facts," but I feel that if all of us will stick to our statement and conscientiously try to right about our facts, all of us will reap great benefit.

It is with great pleasure, then, that the city administration of the city of Madison, as well as all of its citizens, join with you in the observance of "National Newspaper Week," with its theme of "Your Newspaper, heritage of truth and frontier of freedom."

Press Has Responsibility

For Accuracy, Fairness

By DR. JOHN E. LEE,
Mayor of Venice

With the week of Oct. 13 being celebrated as National Newspaper Week, we extend our congratulations and best wishes to the Granite City Press-Record. A newspaper in any community can and should be one of the leading forces for the advancement of good and what is best for the majority in the area.

In accomplishing this, the paper cannot be aligned to a special group but must report the news as it happens. Slant, bias or dramatic reporting, though some think it is necessary for a greater circulation of their papers, is becoming prevalent in too many of the papers today.

The freedom of the press, like the freedom of speech, is a precious right. But with the tremendous power the press can exert, it must always remember that with this right also comes the need for responsibility in its reporting.

In this area it is only through the newspaper that the majority of people are cognizant of what is happening. Often, very important messages, e.g., local improvements, townships, and county problems, United Fund drives, etc., can only be told through the local press. That is why I believe any reporting that is to be printed should first be checked with either the individual or groups with whom the story deals. So many times the story is written with the caption, "It has been named," or "It has been said," etc. A good trick in reporting is the caption that appears above the story, yet upon reading the story nowhere can you find a true correlation between the two.

I appreciate the opportunity to write this editorial as it gives me the chance to express my views. Up to this writing, I planned to state that in my opinion, the Press-Record had reported the news in their true happenings. It has been the leader in many accomplishments in our area. May it keep this credit it has used in the past in expressing its views in the future.

L. A. Kleber Named To Exposition Committee

A vice-president and chairman of General Steel Industries, Inc., L. A. Kleber, has been appointed to the American Foundrymen's Society President's Committee of foundry executives, it was announced today by A. L. Hunt, president of AFS with headquarters at Des Plaines, Ill.

The committee is composed of foundrymen from the United States and Canada, and surrounding areas of the United States and Canada, and the president will be active in connection with both the International Congress and Exposition to be held in Chicago, Nov. 1-4.

JOLLY MATRONS MEET

The Jolly Matrons Club met Tuesday evening in the home of Mrs. Wanona Baker on Park avenue. The group celebrated the birthday of Ernestine Miller and spent the afternoon at the Grange going to the movies.

Your Governor Report

by OTTO KERNER

Because I have repeatedly called attention to the need for a new revenue amendment to the State Constitution, many citizens of Illinois expected it to be placed on the agenda of the special session of the Illinois General Assembly. I would like to report the circumstances which prompted my decision not to place a new revenue article on the calendar.

In my judgment and that of experienced legislative leaders, an amendment covering a subject so important as revenue can only be placed on the ballot by bi-partisan agreement of both political parties. With additional members and sufficient funds, it is my hope that this will be done.

The commission is specifically charged with studying and evaluating Illinois sources of revenue as well as expenditures where economies in state government can be achieved and preparing a revenue article. It will only make recommendations to the legislature and the people of Illinois can determine what course we will follow.

The commission is specifically charged with studying and evaluating Illinois sources of revenue as well as expenditures where economies in state government can be achieved and preparing a revenue article. No Meetings Set In Dow Strike

No additional meetings have been scheduled or requested as a strike at the Dow Metal Products Co. here entered its fourth day today. Federal mediators conferred with company and United Steelworkers representatives Monday, but it was indefinite today whether another session would be arranged this week.

All production halted at this plant, a 24-hour strike was called with 630 hourly production and maintenance employees failing to report for work. Salaries continue to be paid to 225 continuing on their jobs.

Picketing began Monday as a marathon 30-hour bargaining session failed to bring a settlement.

Negotiations had started on

Sept. 21, and were stepped up as 307, picketing by small groups cents hourly and an extra paid of employees continued at each plant gate.

Working conditions were cited as the major factor in the dispute, rather than the economic aspect, although officers of the local said they also sought time-and-a-half pay for Saturday work instead of an existing rate.

Wages, Insurance

Union negotiators reported that they had agreed to relay a proposal to the Local 4804 members providing for hourly wage boosts of four cents in 1961-62, and an additional five cents in 1962-63, plus increased insurance benefits, double pay for Sunday work in 1961-62, and a 21-cent cost-of-living payment.

With the offer being rejected by the IGA, the union offered a 21-cent cost-of-living payment.

For the second year, the offer

was an additional five and a half a bare-fisted lie.

25 III. Homecoming Football Tickets Still Available

The spokesman said that, at the union's request, the company agreed to the following alterations which were to be made in the same total cost range: Job Year, four cents hourly; Job Classifications One and Two combined, provision of severals for employees at two events; presses, available for all over 16 in a day or 36 in a week and improved insurance benefits on life, weekly sickness and accident, dental hospitalization, medical services and physician contributions remaining the same; second year — additional 34 cents an hour and double time for Sundays.

Thomas Griffin, United Steel Workers international representative, is head of the negotiating committee, and an attorney from the local

Comment By Friend

A Dow spokesman said company negotiators offered for com-

pany negotiations remained the same; second year — additional 34 cents an hour and double time for Sundays.

A special student rate of \$7, including transportation by separate bus to and from the game, has been set. Students at Prairie High School, Lincoln High School and Granite City High school may reserve tickets.

Adult rates are \$8.50 a ticket, also including transportation. The tickets may be purchased outright for \$4.50 if the individual is furnishing his own transportation, Brown said.

Yesterday afternoon's collapse

MORE ABOUT

City Halts Repair

(Continued from Page 1)

Twenty-five tickets for the Illinois homecoming football game with Minnesota Saturday

are available at the Granite

City park district office or

through Park Board Secretary

Frank Rea at 1314 Niedring-

haus avenue, Recreation Direc-

tor Harold Brown said.

A special student rate of \$7,

including transportation by sepa-

rate bus to and from the game,

has been set. Students at Prat-

er High School, Lincoln High

School and Granite City High

school may reserve tickets.

Adult rates are \$8.50 a ticket,

also including transportation.

The tickets may be purchased

outright for \$4.50 if the individ-

ual is furnishing his own trans-

portation, Brown said.

Yesterday afternoon's collapse

of a 8x12-foot section of new granite pavement in the 2000 block of Omaha street was blamed on heavy rains going through a pavement joint and the water fill into an aban-

doned, broken sewer line that was replaced last year.

A. W. Pearson of the city's engineering staff said the repair will be made by the next day.

A sag in the pavement was first noticed by residents of the area last spring, and about two weeks ago, it again was

called to the city's attention.

Investigation Report Due

Bids for the Terrace lane replace-

ment were referred to the Public Works committee, and a committee may be made

available next Monday at the

first meeting in November.

The engineering firm of Sverdrup & Parcelle called in two weeks ago to investigate the cause of the

sewer line collapses, may submit a partial report by next Monday, it was learned.

Yesterday afternoon's collapse

of a 8x12-foot section of new

granite pavement in the 2000

block of Omaha street was

At home, at fountains, everywhere—

Pepsi

now it's Pepsi

for those who think young

Today our appetite for activity is tremendous. We lead the full life—full time. This is the life for Pepsi—light, bracing, clean-tasting Pepsi. In stores, at fountains, say "Pepsi, please!"

Commission To Hear Urban Renewal Outline

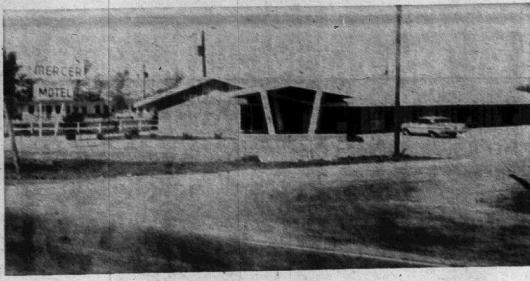

An outline of the federal government's financial aid to cities engaging in urban renewal projects was outlined by the Granite City Planning Commission during its regular meeting this evening. It was announced that Dr. Alderman Donald Partney, chairman of the city council Plan committee, and David Morgan, chairman of the commission.

The speaker will be Otto Zaccaria, of the Mid-American Appraisal Corp., Chicago, who has previously conferred with Mayor Davis, Morgan and Partney on his firm handling an application for Granite City.

At Monday night's council session, Partney invited interested citizens to attend and said a film on urban renewal supplied by an Indiana firm, also will be available in the near future.

The meeting will be held at 7 p.m. in the city court room on the third floor of the city hall.

NEW LOCAL MOTEL, known as the Mercer Motel, which is scheduled to open on Bypass 66 and 40 at Route 67a. The brick structure contains 16 ultra-modern units.

Willis Bowers Named To Social Fraternity

Willis Bowers, son of Dr. and Mrs. W. W. Bowers of 2646 Illinois Avenue, is among the Monmouth College seniors who recently pledged Sigma Phi Epsilon social fraternity.

A graduate of Granite City high school, he is the man in the school, which this year has a freshman class of 275 students from 25 states, and four foreign countries.

Local Librarians To Attend State Meeting

Mrs. Mary G. Knutlun, Granite City librarian, will be in Chicago Oct. 26-28 to attend the 65th annual conference of the Illinois Library Association.

Miss Elizabeth C. Stoen, assistant director of libraries at Southern Illinois University, is president of the association and will preside over the conference, which is scheduled to open Oct. 28.

An ultra-new, 16-unit motel hotel on Bypass 40-66, facing that highway a short distance west of Route 67a, the motel is located next to the Chain of Rocks Motel.

Located on Bypass 40-66, facing that highway a short distance west of Route 67a, the motel is located next to the Chain of Rocks Motel.

Sectional meetings of six research librarians, college and research libraries, resources and technical services, and a joint session of the public librarians and trustees sections will be held during the second day.

Dr. Harry T. Moore, research professor at SIU, will address the conference at the award winning LaSalle Hotel. The conference will close Saturday after Miss Stoen has presented her report on the year's activities.

Now — A New World of Worth from Chevrolet

Lovers of good cars - what more could you want? **'62 CHEVROLET**

Step right in—and feel luxurious. Fine, comfortable car, isn't it? A car with Jet-smooth ride...with a new choice of V8 power...longer lived beauty front fenders have steel underskirts to help fend off rust and stones). For '62, here's more than ever to like.

NEW CHEVY II

Sensitivity at its Sunday best in a totally new line of cars!

Here's sturdy simplicity to save money in service and maintenance. Uncompromising economy (your choice of a 4- or 6-cylinder engine in most models), steadfast Chevrolet dependability. Body by Fisher craftsmanship. Engineering advances like the Monza-like rear spring, to name the few. And a full range of front and rear coil springs. Nine new-size models in all (including the soon-to-be-available hardtop, convertible and wagons) with roominess to spare. More details? Your dealer's loaded with 'em.

See the '62 Chevrolet, the new Chevy II and '62 Corvair at your local authorized Chevrolet dealer's

Leadership Training By PTA Council To Begin Saturday

A four-session lay leadership training course for Parent Teacher Association members of the Granite City school district will open at 8 a.m. Saturday at the Granite City high school library.

Plans for the training were announced this week by Dr. C. Wood, PTA leadership chairman, who said registration will take place at the high school library, where the course will be held on Oct. 28, Nov. 4 and Nov. 18.

Up to 100 participants can be accommodated in the free course. Dr. Wood is urging PTA members to consider enrolling. Two years ago, with emphasis on prospective PTA officers, the attendance totaled 40. No course was conducted last year.

Dr. Kaiser To Participate
School Sup't Harold M. Kaiser will speak at the first session of the "Child Growth and Guidance," Oct. 28, panel discussion.

Miss Elizabeth C. Stoen, assistant director of libraries at Southern Illinois University, is president of the association and will preside over the conference, which is scheduled to open for business this week. It was announced that Professor Alan Simpson, University of Chicago, and deans of Lafayette, Illinois, and Monmouth Colleges will be audio-visual workshop, films and exhibits.

Sectional meetings of six research librarians, college and research libraries, resources and technical services, and a joint session of the public librarians and trustees sections will be held during the second day.

Dr. Harry T. Moore, research professor at SIU, will address the conference at the award winning LaSalle Hotel. The conference will close Saturday after Miss Stoen has presented her report on the year's activities.

The radial veneer building also houses an office of the state bar association, and the administration of the establishment will be supervised by Maynard Mercer and Watson Mercer, both of Granite City.

Mr. Raymond Tadlock, president of the Granite City A. F. C. Council, will lead the Nov. 4 meeting, at which topics will include "Relationship of Parent Education to Total PTA and School Activities," and "The Group Discussion."

Lee will conduct the Nov. 18 session on "Your Role as a Discretionary Leader" and "Parliamentary Rules."

Lee will speak Oct. 28 on "The Symposium" and "Use of Materials."

UF Industrial Employees' Quota Over 37% Of Goal

Over 37% of the Tri-Cities Area United Fund drive for \$298,463 is expected to be raised by the Industrial Employees Division under the direction of Co-Chairmen Robert Gengler and Gilbert M. Sykes.

The campaign, which officially began last week with a luncheon and dinner, is set to end Oct. 31. Only one other division in the drive has a higher quota than the Industrial Employees, and that is industry itself.

He was encouraged for his campaign position by the Tri-Cities Trades & Labor Council. Sykes is a trustee of the Granite City Steel Co. Employees Credit Union and has held numerous union offices.

Workshop Here On Pupils Dropping Out of School

A workshop to discuss "School Drop-Outs" and "Youth Employment" will be conducted at Granite City high school from 3:30 p.m. to 9:30 p.m. Tuesday, Nov. 28, it was announced today.

Sponsors of the program are the Illinois Department of Public Instruction, the Illinois Youth Commission and Madison County Supt. of Schools Wilbur R. L. Trimpie. Mail reservations will be accepted by R. P. Pukach, county coroner, at Trimpie's office in the county courthouse at Edwardsville.

Those who will be welcomed at the workshop are school administrators, counselors, vocational personnel from schools and industry, school board members, Parent-Teacher Association, representative of social welfare agencies, personnel, business leaders and others personally interested in youth.

Results of a study made of drop-outs by school students will be reported and evaluated during the workshop.

Registration is planned for 3:30 p.m., with the meeting ending at 9:30 p.m. by Supt. Trimpie, chairman. Pukach will preside and a panel will be given on "Manpower, Challenge of the Future" by R. P. Pukach, representative of the U. S. Labor Department's Bureau of Apprenticeship and Training.

After a talk on the "School Survey on Drop-Outs" by Dr. Robert Zeller, guidance consultant in the office of State Supt. George T. Wilkins, a dinner will be served.

At 7:30, Charles V. Matthews, research associate of the Quincy Youth Development Project, and a citizen to God, will speak on the Quincy Youth Development Project. A speakers' panel is planned for 8:30 p.m., with questions and discussion preceding the adjournment.

TO FORMER USERS OF COAL OR OIL HEATING EQUIPMENT:

Don't Let a Clogged Chimney Endanger Your Family

Have you recently started heating your home with natural gas?

Did you make the change from coal or oil?

Is your present gas heating equipment tied in to the same chimney that was used when you burned coal or oil?

If you answered these three questions with a "Yes," you owe it to your family to double check the chimney's condition.

If you have installed any type of gas heating appliance and vented it into a chimney or flue formerly used with coal or oil heating equipment, the chimney or flue should be inspected and cleaned periodically until the chimney is free of loose soot. This should be done with particular thoroughness in the first heating season after changing over from coal or oil.

When burning coal or oil, soot forms on the chimney. When gas heating is installed, the moisture in the gas products of combustion may cause the soot to fall to the bottom of the chimney and unless the soot is removed the burner vent can become blocked. If this occurs, the products of combustion cannot escape and may prove dangerous.

For safety's sake, you should be able to see daylight through the top of the chimney from the chimney's clean-out door in the basement. (Use a pocket size mirror.) To thoroughly clean out the chimney, you can lower a weighted bundle of rags down from the top.

We recommend that only a qualified gas heating man should make any necessary adjustments of the flue damper or the gas furnace burner itself.

Morris II, contractors section; and Edward F. Reiske, labor groups section. The Tri-Cities area drive began Tuesday.

Arrests On Broadway John C. Leritz, 21, of 2626 Erie, was arrested for speeding on Broadway in Venice at about 7:45 a.m. Tuesday.

Each posted \$10 cash bond pending a hearing.

ORCHID LOUNGE — PIZZAS

County Sales Tax Revenue \$79,000 For 7 Months

Net receipts due Madison county for July sales taxes amount to \$12,153. It was announced this week by the Illinois Department of Revenue. Gross tax collections for the unincorporated areas of the county since Jan. 1 were \$12,630. Of this, 4% or \$506 was retained by the state to cover administrative expenses.

By direction of the county board of supervisors, the sales tax income currently is being deposited in the county general fund. Previously, 60% was set aside to construct a juvenile home and 40% for county jail and courthouse improvements.

The July sales increased 15% revenue to \$79,001. Since the tax went into effect in this county Oct. 1, 1959, it has produced \$22,630 for the county's treasury. It amounts to a half cent on each dollar of sales.

\$33,504 City Bill List; \$17,845 For Sewer Work

A two-week bill list totaling \$33,504, of which \$17,845 was for repairs to Terrace lane sewers, began to be sent for curb and sidewalk repairs. It was approved Monday night by Granite City council members, but not without question.

Alderman Charles Meyer suggested holding 50% of the payment to Milam Concrete Co. for the curb and sidewalk work, but voted it to 10% for cleanup of debris. He said, "He informed the city has no formal contract with the firm for the work requiring backfill and cleanup, but that the job was awarded on the basis of a low bid."

Meyer pointed out the street department is often called upon to do the work and to expand or dig excavated for curb and sidewalk installation. Alderman Walter Nease said the street department did some excavation work for sidewalk installation in the Fifth Ward, since the bid did not include such work. He

also added that the proprietor of the firm was hospitalized and should be given a chance to carry out the cleanup.

Sidewalk Curb Work

The \$3071 bill included \$196 for a sidewalk curb along First Street opposite Weston Park, \$117 for a sidewalk on Carlson Avenue, \$278 for curb work and \$78 for sidewalk replacement at 27th Street and Delmar avenue; \$110 for a sidewalk curb in the 3600 block of Delmar avenue, \$131 for curbs, \$66 for a driveway apron and \$37 for a driveway replacement. A total of \$1,150 were paid to Joseph Cavar, Rufus LeMaster, Charles Meyer, Paul Rutledge, Samuel Shackelford and Casmer Skubish.

The \$17,845 paid to A. H. Seebold Co. for repair work to the Terrace lane sewer included \$1,008 for a week ending Oct. 4 and \$8,937 for a week ending Oct. 11.

Engineering Costs

Also on the bill list were payments totaling \$2261 to Eng-

ineer David V. Johnston for planning city projects — \$800 for the proposed work of removing street car tracks from 19th street; \$836 for the planned sanitary sewer line in the 2200 block of Nevada avenue and \$417 for street work.

Melvin Pashee was paid \$738 for maintenance of the city dumping grounds for October.

Police Chief Raymond Willard, \$50; Assistant Fire Chief Curtis Donley, \$30; CD Official Victor L. Smith, \$20; Fire Marshal Devine and Police Lt. George Telier, \$100 each for attendance at a police school at Carbonado.

Administrative expense allowances of \$30 were paid to Joseph Cavar, Rufus LeMaster, Charles Meyer, Paul Rutledge, Samuel Shackelford and Casmer Skubish.

Suspension Arrest

Mayo M. Uherick, 2216 Madison Avenue was charged with speeding at Nameoki road and Madison Avenue Monday afternoon. She posted her driver's license as bond.

DIRECT DISTANCE DIALING service which began for the Quad-Cities this week was marked by a special ceremony when Mayo M. Uherick, Davis, seated, put through the call from the Tri-City Chamber of Commerce Office on a specially installed phone. Shaw and Davis are, left to right — Harlan Dobry, C. of C. manager; George Meauze, local telephone company manager; Mor-

vin Doherty, East St. Louis, district traffic superintendent; Paul H. Uichemborg, C. of C. president; Madison Mayor Stephen Maeris; Dr. John Lee, mayor of Venice; State Rep. Lloyd "Curly" Harris; Bill King, East St. Louis, district commercial manager for the phone company, and H. D. Ames, St. Louis, phone company division commercial manager.

Bank Visitor Sounds Alarm Police Answer

Four Granite City police cars were hurriedly sent to the Granite City Trust & Savings Bank at 9:30 p. m. Monday. Upon arriving at the scene, officers learned that the Explorer Scout Cabinet meeting was being held and one of the scouts had turned the dials on the wall on his way out. This automatically set off the burglar alarm at police headquarters.

"It was a normal reaction," remarked a spokesman for the police. "The vault and I naturally want to get a closer look at it."

Treated At Hospital

Treated at St. Elizabeth Hospital Monday at 4 p.m. and released Tuesday morning, Oct. 17, was Nameoki road, who had been found lying on her kitchen floor by neighbors. Police and an ambulance were summoned. Doctors gave no details but found an empty blue envelope in the bathroom with directions on how to take a dose. The contents of the envelope were unknown.

Dorcas Circle Plans Service

The Dorcas Circle of Third Baptist Church met Tuesday evening in the name of Mary Naples, 2353 Delmar avenue.

The topic, "The World on Our Doorstep," was given by Mrs. Edward White and Mrs. Orlie Riley. They treated the business of the group which included plans for personal service to the Madison County Sanatorium in Edwardsville.

Guests who were observing birthdays at this time were also remembered in prayer. Also attending the meeting were Mesdames Ted Raphael, Nell Wilson, Laurene Miller, Alice Miller, Jim McLean, Harold Loretz, Raymond Brayfield, Zowanda Fay Smolich and Lulu Edwards. Refreshments were served by the hostess.

FACULTY WOMEN'S CLUB WILL MEET

Several local members of the Southern Illinois University Faculty Women's Club are planning to attend the first regular meeting of the fall semester session at the First Christian Church in Edwardsville.

The club is made up of faculty members from Granite City, Edwardsville, Alton, East Alton and Belleville. A business session will be a part of the meeting, and several prominent speakers will provide the program.

Among those receiving special awards were Mrs. Fred Orr, Mrs. Branding, Mrs. Anthony Michel, Mrs. Tally, Mrs. Harold Caldwell, Mrs. David Park, Mrs. Dickie, Mrs. Charles Thurber, Mrs. Hugo Brennemeyer, Mrs. Arthur Roseman, Mrs. Kaseberg, Mrs. Sedlacek, Mrs. Marilyn, Mrs. V. J. Lisa and Mrs. Reinhart.

Mrs. Thurber, Opti-Mrs. president, called the attention of the group to a rummage sale which will be held Nov. 18 at 8 a.m. at the IOOF hall.

Mrs. Gasparovich is heading the committee in charge of arrangements.

NEWLYWEDS HERE ON HONEYMOON

Mr. and Mrs. John M. Turnbaugh, who were married Oct. 6 in Cheyenne, Wyo., are here for a visit with their parents, Mr. and Mrs. Roy M. Grover, 2110 Fourteenth street, before taking up their residence in Missouri.

The wedding of the couple took place at the Reorganized Latter Day Saints Church with the bride's brother, Kenneth Grove officiating.

Given in marriage by her father, the former Jeanette Grove wore a street-length gown of light cream with a multi-layered hem. Her flowers were white carnations centered with a single pink rose bud. Mr. and Mrs. Frank Hause of Scottsbluff, Neb., were witnesses.

The bridegroom is a son of H. W. Turnbaugh of St. Louis.

A reception at the home of Mr. and Mrs. Kenneth Grove in Cheyenne followed the ceremony.

The bride's parents have just returned home after attending the wedding and visiting relatives in the west.

GIRLS SCOUTS ATTEND TRAINING SESSION

Eleven local Girl Scouts have returned from a three-day training session at Camp Chan-Ya-Ta near Prairietown.

The girls, chosen to participate in the nationwide Sector Roundup, are: Pam Brader, Kathy Breit, Hedy Brumley, Kathy Harsh, Margaret Juhaz, Judy Matras, Linda Onuchowski, Catherine Parker, Norma Rivenburgh, Marlene Spenger and Mary Jane Zimmerman.

In spite of cold weather, the 56 girls and the selection committee slept in tents and cooked all meals. Some of the activities participated in were knot tying contests, tent care, compass instruction, flag ceremony, court of honor, hiking and camp fires.

In November, a representative from the River Bluffs Council to attend the roundup in July 1962 will be selected.

Opti-Mrs. Club Holds Annual Guest Day Party

Approximately 44 members and guests attended the annual guest day party and 12:30 luncheon of the Noontide Opti-Mrs. Club Monday afternoon at Tom's restaurant, 5240 Nameoki road.

Mrs. Leo A. Roman served as general chairman of the event, assisted by Mrs. Fred Orr, Mrs. John Sedlacek, Mrs. Elmer Braun, Mrs. Andrew Gasparovic Jr. and Mrs. Mark Pickett.

The luncheon tables were decorated with arrangements of fresh and dried flowers, all in the autumn colors and especially attractive was the large basket of flowers which centered the head table.

The guest list included Mesdames Leland Margrak, William Ogden, James Tally, Fred Orr, Paul Reinhart, Rosalie Twelmann, Mrs. John Kirchoff, Mrs. Andrew Gasparovic Jr. and Mrs. Mark Pickett.

Granite City Hosts Flyers In Homecoming Game Tonight

Warriors Looking For First Victory Over East St. Louis Club Since 1947

Granite City's Warriors, who have not beaten East St. Louis since a time when most of the players on the 1947 squad were too small to know what a football was, much less hold it in their hands, will get a chance to end the Flyer monopoly at eight o'clock tonight.

The two clubs with a chunk of Southeastern football to play before at stake, will be playing before what undoubtedly should be the largest crowd of the season at the GCHS field, since Granite City high school is celebrating its homecoming this week.

Warrior Coach Andy Sullivan would like very much to add to the celebration by di-

recting his club to a victory.

That goes without saying, since the Redmen have no tasted victory in an East St. Louis game since 1947.

That year, the Warriors ended their losing streak with a 6-0 victory over previously unbeaten East St. Louis. Carl Linhart scored the game's only touch down in the Southwestern conference.

It is also true that the Warrior defensive unit has set up a greater number of local yards than any other team in the offense, which has looked excellent at times and less so at others.

Sullivan is looking for his team to nail down the No. 1 quarterback position. Larry Nolin, who started last week but gave way to Bill Lierman, will get the call again tonight, according to the Warriors' receiver.

Larry is proven to Coach Fred Cameron

Cooley, named as the possible starting quarterback last week, will be back at his familiar end position.

In fact, Sullivan said that he would like the offensive lineup against the Flyers will be identical to the one which opened with the Wood River game.

He got some additional good news from Trainer Al Lewis, who said that for the first week of the opening game with Assumption, there was "nothing unusual" about the Warrior camp. "Everybody will be in full uniform tonight," Lewis said.

Sullivan was optimistic about his team's chances, noting that he even got word from a recent homecoming encounter, "I just don't think they will be able to run up the middle against us."

That statement will have to prove itself at the 13-0 loss to Alton.

and his Flyers, however. The club at 3-0 is 300 yards better than the club in beaten Edwardsville last week. The score was a bit deceptive, since East St. Louis scored twice in the last minute and 29 seconds of play, while Edwardsville desperation passes went astray.

If Granite City's defense does force the Flyers to take to the air, Sullivan thinks his club will be ready. "We'll notice that most of the passes Wood River completed against us last week were of the short gains type," he said.

The Flyer's off to a miserable start when East St. Louis' winning tradition is considered, especially after trailing Granite City 14-0 in the second half of the game. Cameron's explanation of a 1-1 SWC record.

But a roster shakeup since the 13-0 loss to Alton has pre-

diced results, and the Flyers are 8-1-1 overall, & season record identical to Granite City's.

Again tonight, the Redmen must defend against a speedy backfield, and probably the best quarterback in the conference, John Willis.

To say the 8 p. m. game is important to both clubs is a gross understatement.

A Granite City victory can insure, at the least, a better than .500 conference record for the first time since 1956. And the Warriors are not counting themselves out of the SWC title race.

The Flyer's off to a miserable start when East St. Louis' winning tradition is considered, especially after trailing Granite City 14-0 in the second half of the game. Cameron's explanation of a 1-1 SWC record.

But a roster shakeup since the 13-0 loss to Alton has pre-

pared into the mixing bowl to night, it should be a whale of a clambake to watch. Fans will also see dedication ceremonies.

for the new and very complete football scoreboard, given by Granite City Trust & Savings Bank.

Coaching Change Gives Ronnie Hall Second Chance With Boston Patriots

The Boston Patriots of the American Football League fired head coach Lou Saban last week and, indirectly at least, his dismissal will give Granite Hall another chance in the ranks of professional football.

Saban, released after a meeting of the Patriots' board of directors, was awarded \$10,000 by Granite Hall's release after the former Granite City high school and Missouri Valley College star suddenly "had it made" as a defensive specialist with the Boston club.

The Patriots' new coach, ex-Boston College All-Met Hoback immediately placed Hall back on the player roster, and the defensive halfback saw action Friday night when the surprising Patriots held the Rams to a 21-21 draw.

Billy Sullivan, president of the Patriots, was quoted as saying: "We simply feel that all the talent on our team had not been used." When asked about Saban's release,

Formerly With Steelers

Hall, 24, played one season (1959) with the Pittsburgh Steelers, and was set to go again for the National Football League when the surprising Patriots held the Rams to a 21-21 draw.

Last year, Hall was the coach of the Patriots' new club, ex-Boston College All-Met Hoback. He had the best record in the league, with a 31-31 draw.

Billy Sullivan, president of the Patriots, was quoted as saying: "We simply feel that all the talent on our team had not been used." When asked about Saban's release,

RONNIE HALL

was neither the first nor the last player to be cut.

He was advised to stay in Boston, and took a job with a construction company, obtained for him by the Patriots' organization. Two days after his release, Hall was cut, the "ax" fell on Saban's former football coach at Webster University.

Hall stayed four years at Webster, and then lettered at GCHS under Coach Colney Ashford at Missouri Valley, Marshall, Mo. He played in the Little America Bowl at Tulsa in August 1958, and joined the Steelers for opening drills the next year.

Hall's younger brother, Dwayne, is the family's third generation at Missouri Valley. A team mate, Dwayne Hall is seeking his second varsity letter with the Vikings, potential contenders for the Missouri Collegiate Athletic Union conference football champion.

Then, on Sept. 12, he was dropped from the Boston roster by Saban. "Something appeared wrong," Hall said. It didn't elaborate, except to say that he

wasn't the first nor the last player to be cut.

Trojans Can Cinch Title Tie Tomorrow At Roxana

Unbeaten, Unscored Upon In MWC Play, Madison Seeks 4th Straight

Coach Glen "Pick" Pickering's Madison Trojans, undefeated and unscorched upon in Midwestern Conference play, can assure themselves of at least a tie for the MWC crown by winning tomorrow night at Roxana.

Madison has scored impressive wins over Cahokia, Dupo and Bethalto, Roxana, which shared last year's title with Dupo, is the only other club in the conference to have a chance of sharing the title again this year. Dupo and Cahokia currently tied for the runnerup spot with 2-1 marks, meet each other Friday night at the Dupo field.

The only other two schools in the conference, Highland and Bethalto, will play Saturday afternoon at Bethalto. Highland, with two losses in three games, is in the same position as Roxana, having a slim hope of sharing the title. Bethalto, with three wins, is out of the race. Roxana hosts Madison Oct. 27 in its homecoming game.

The Trojans have not figured in the MWC title since 1959, when they lost 6-0 to Roxana and finished second behind the unbeaten Shells. Dupo won the title in 1958, and Madison was the undivided champion in 1957 with a 5-0 mark.

Lineup Changes

"Pick" has indicated that he will stick with the team that has won three straight games, and the Trojans tied Edwardsville, 19-19, in the season opener and then lost 21-13 to Granite City. Shells that did not start the season all-conference, three wins for a 3-1-1, overall record.

Last year's all-conference Hallback Ren Griggs and Ed Mullane, Jr., tied Edwardsville, 19-19, in the season opener and then lost 21-13 to Granite City. Shells that did not start the season all-conference, three wins for a 3-1-1, overall record.

The Shells, who have stayed on the ground in their first five contests, are expected to throw against Madison's 10-0 record. Jim Fowler and Art Tomerlin, the two backs, will play fullback, and Randy Baker is sidelined for the contest.

The Shells, who have stayed on the ground in their first five contests, are expected to throw against Madison's 10-0 record. Jim Fowler and Art Tomerlin, the two backs, will play fullback, and Randy Baker is sidelined for the contest.

Vandalism Damage To 22 Eagle Acres Mailboxes

Vandals damaged 22 mailboxes at Eagle Park Apartments sometime after 9 p.m. Monday. It was discovered Tuesday morning. Served by the Madison postal district, the rural boxes all had been restored by the owners by Friday afternoon.

Some of the wooden posts supporting the boxes were broken off, while in other cases the metal boxes had torn down and thrown into weeds. The damage was blamed on children, apparently getting an early start on Halloween.

New Emergency Room Driveways Ok'd For Hospital

Passionate opposition by the city council to the new construction of two new entrance driveways along 21st street between Madison avenue and Iowa

street for a new entrance to St. Elizabeth Hospital emergency room was granted Monday night.

Granite City council members said they were concerned about the safety of the new entrance driveways.

The emergency room driveway is to be revamped once the new entrance is completed and consent was given by the Studebaker firm. The present driveway is off 21st street.

Also in connection with the razing, the police department was allowed to park its emergency lift trucks, metal detectors, trailers, chain saws, ditching mats, pumps, rubber hoses, railway tucks, an

tractor, tractors, trailers, chain saws, ditching mats, pumps, rubber hoses, railway tucks, an

other items valued at \$2,500,000.

Sales brochures may be ob-

tained, free of charge, by con-

tacting the Consolidated Surplus Sales Office at the depot here.

A permit was granted by the

Police Co. to operate in the

2100 block of 21st between Madison and Grand avenues to install a gas line to replace one now

under Madison avenue.

The conference is sponsored by the Cahokia Nature League.

The first of the organization's

conferences to be held south of Springfield is the workshop on

sewer maintenance, water conser-

vation, and other water conservation problems discussed Saturday.

Rep. Paul Simola of Troy will speak at the conference Saturday night, addressing the conference on "Telling the Public and Telling the Lawmakers About Conservation."

Other speakers at the confer-

ence will include Paul V. Hud-

son, Illinois Dept. of Agriculture;

F. G. Maher, U. S. Army Corps of Engineers; and Sen. George Anton Sajojevitz, W. T. Lodge, director of the Illinois Department of Conservation.

The conference is sponsored by the Cahokia Nature League.

**September Fines, Costs
Total \$3202 in GC**

Fines and court costs totaling \$3202 were assessed and collected during September, according to the Granite City court records.

On Sept. 1, Police Magistrate Gasparovic, who said an additional \$110 collected prior to last Friday, was being turned over to the city.

The September total includes \$128 in fines and \$1474 court costs. The report was referred to the comptroller.

Huge Transfers For Sewer Work In GC Monthly Report

Huge transfers of funds totaling \$368,317 from the city's two "cushion" accounts to the maintenance of sewers account failed to wipe out the deficit, which was carried over from the 1960-61 fiscal year, according to the monthly financial report submitted to the council Monday night by Comptroller John Dooley and City Treasurer Frank Sappington.

A \$244,471 transfer from the sales tax reserve, on which the city has been saving, offsetting expenses this year, knocked that account's balance down to a meager \$919. In addition, \$126,843 was transferred to the sewer maintenance account from the working cash account, cutting its balance to \$96,883.

The city's general fund accounts showed a \$496,987 balance on Sept. 30, as compared

to disbursements of \$467,388 (\$93,517 a month average) for the first five months of the engineering and financial problems are resolved.

Only one major lease is still to be signed to satisfy the district's bonding requirements, Barron said, and new legislation passed by the Illinois General Assembly will aid the authority's activities.

Since the port authority has been in existence, one new major industry has been attracted to the community and all the old ones have stayed, Barron told the club.

He said East St. Louis, Alton and Wood River all are interested in and have assisted the port authority. Several states will benefit from the port authorities because of the reduced costs of handling products, he said.

Barron said the major objectives of the port authority are to increase employment, assist existing area industries to be competitive in prices, attract new industry, affect a reduction in product cost and to build a port without increases in taxes.

About 25 members attended the regular weekly Kiwanis dinner meeting.

Lee E. Ladd, division lieutenant governor, reported on the Kiwanis district meeting at Rockford Oct. 1-3, and M. Freeman Wolfe, Francis Judd Lee and Sam Wolf were named to a nominating committee for new officers.

Port Problems Solved, Barron Tells Kiwanians

John L. Barron, general manager of the Tri-Cities Regional Port District, told the Granite City Kiwanis Club Monday night that the port authority's basic engineering and financial problems are resolved.

Only one major lease is still to be signed to satisfy the district's bonding requirements, Barron said, and new legislation passed by the Illinois General Assembly will aid the authority's activities.

Since the port authority has been in existence, one new major industry has been attracted to the community and all the old ones have stayed, Barron told the club.

He said East St. Louis, Alton and Wood River all are interested in and have assisted the port authority. Several states will benefit from the port authorities because of the reduced costs of handling products, he said.

Barron said the major objectives of the port authority are to increase employment, assist existing area industries to be competitive in prices, attract new industry, affect a reduction in product cost and to build a port without increases in taxes.

About 25 members attended the regular weekly Kiwanis dinner meeting.

Lee E. Ladd, division lieutenant governor, reported on the Kiwanis district meeting at Rockford Oct. 1-3, and M. Freeman Wolfe, Francis Judd Lee and Sam Wolf were named to a nominating committee for new officers.

Burnett, Parker Named To National Committee

Eugene R. Burnett, 2243 Lee and C. Parker of 2618 Hodges Avenue have been elected to the metals executive committee of the National Safety Council.

Burnett is supervisor of safety and security at Dow Metal Products Co. Inc., while Parker is safety director at Granite City Steel Co.

The election was part of the National Safety Congress held in Chicago this week.

The National Safety Council is a federally chartered, non-profit association dedicated to

safety in all fields of accident prevention. The metals committee is a major industrial section of the Council.

QUALITY, SPEED AND ECONOMY IN YOUR

PRINTING REQUIREMENTS

A technical revolution in the graphic arts is in full swing across the nation. Unparalleled in history, these advances are in the making through the creative power of modern science applied to offset lithography.

THIS is a reproduction of an advertisement now appearing in business and general interest publications with nationwide readership.

The objectives are—new industrial payrolls for your area and new freight traffic for this railroad.

G. P. BROCK
President

a middling good town

This is one of several towns on our railroad that we would recommend if you need what a middling good town.

It's not the hub of any particular territory or the crossroads of America, but it is well located for obtaining raw materials and with respect to finished products. It has good rail service and better truck transportation than we like to see.

It does boast the finest schools and churches—those you find in the metropolis—but it does have good schools and schools that are well equipped. It speaks real emphasis upon cultural and spiritual traditions.

There isn't a very elaborate park system, but it has some nice golf courses, boating and swimming, and almost everybody can afford to give a good day's work for a good day's pay.

It doesn't have the best people in the world—just some of the best, along with the usual quota of runts—but most of its people are old-fashioned enough to give a good day's work for a good day's pay.

* * * * *
There isn't much industry there now, which is why we'd recommend it if you're thinking of moving.

* * * * *

Council Puts Inspector Pay, Engineer Items 'On Fence'

Hanging on the fence are two men who voted to have an ordinance submitted for passage.

Seek Local Resident

Presenting the ordinance for a city engineer, Alderman W. A. Schmitz, chairman of the Personnel Committee, said one applicant has been interviewed and two other interviews are scheduled. The engineer's salary, for those for hiring a full-time city engineer at a salary of \$8500 a year.

During Monday night's council session, Mayor Davis broke an 8-to-8 tie vote authorizing presentation of the ordinance to the inspector's salary, and the ordinance to create the city engineer post was placed on first reading after failing to receive sufficient votes for immediate passage.

In voting on the building inspector's salary, Mayor Davis asked Inspector Earl Bloomquist to stand up to explain his request for a raise, and the council voted to increase the salary and the ordinance to create the city engineer post was placed on first reading after failing to receive sufficient votes for immediate passage.

Bloomquist now receives 50% of the building permit fees and uses his personal auto, obtaining gasoline from the city.

SAYS ADMINISTRATION SPENDING TOO FREELY

To the Editor:

The New Frontier — out where the water flows — has throughout past two years made the statement that Jack Kennedy would go down in history as the greatest president of all time. He has the right to do so, at certain points, the dollar mark in spending the taxpayers' money.

Forty-four percent of Kennedy's spending goes to non-military functions and items in the 1963 fiscal budget. The greatest part of these programs is in a Santa Claus style. It is his business. He thinks it is his, and we the taxpayers have him spending the taxpayers' money.

In the first five months of his administration, he increased the federal payroll by 67,000 jobs. Multiplied by 10 votes, for 1964 this is a total of 335 for each day. During the same period of time, he added 10,000 jobs. Ten thousand of these jobs have been added in the Washington, D.C., area alone.

In the first 161 days of his administration, he was out of Washington 32 days, about a

open flame broiling

third of the time. In Jack's campaign talk of 1960, he stated that he would not let his party be taxed and would not let most of his time in Washington. During the 161 days he visited Palm Beach, Canada, Middlebury, London, Haymillsport, Paris and Vienna.

At the same time Kennedy was in Europe, a \$100-per-plate dinner was being served in Boston and the ticket buyers were instructed that it could be a tax deduction. This was done in the pastry shop of \$465,000. How much found its way into the coffers of Uncle Sam?

Again I say, my good friend, we are spending more history. He will make Harry look like a piker. But what will happen to the poor taxpayer?

JOHN B. MOSS

TEENAGE JOB PLACEMENT PROGRAM AT YMCA

To the Editor:

"To guide and direct youth by means of entertainment and recreation to lead better lives." This is the purpose of the Teenage Job Placement Council which is what we have come to do up to this purpose?" Some of the many things we do on the council is to sponsor and plan all the departmental activities of the YMCA.

Perhaps the most popular of these affairs is the annual Snow Princess Dance and the King and Queen Competition.

Very recently, an article in the Editorial of the Press-Record inspired us in deciding on our latest program — "Job Placement For Teenagers." The purpose of the program is set up at the local YMCA where an individual file on each teenager wanting employment, will be kept.

Those interested in finding a job will call Mrs. Marie Springer, our Teen-Age Director, at the "Y" and tell her what type of work they want to do. We will then make with a member who is capable of doing the job requested. This teenager may be working for his education or just wanting something construc-

tive.

Mrs. LENNA WILLIAMS
1638 Sixth Street
TR. 7-2017

Mr. and Mrs. William Ashford, 1663 Second street, motorized to Virden, Ill., Sunday to spend the day with Mr. and Mrs. Steve Centko and Mrs. Anna Holloway. Mrs. Ashford is a sister of Mrs. Centko and the daughter of Mrs. Holloway.

TROOP MARKS BIRTHDAY

YOUTH invited their observance of the first year of Girl Scout Troop 117 was held Tuesday afternoon in the lounge room of the Yacht Bagel.

Mrs. Loreta James is now the assistant leader. A former Browne leader, she will work with Mrs. Zetta Mell, troop substitute teacher.

The girls practiced songs that will be used at the cookout Saturday, Oct. 20. Mrs. Thelma Shelly and daughter, Christi, and Anna Beck were guests at the meeting.

A presentation was taken to the fire station and Wilson Park was discussed by Sandra Derer, Beverly Mathis, Mary Elizabeth Platt, Rosanne Meister, Lynn Day, Leslie Keay, Marlene Watson, Angela Richard, Ginele Mell, Nola Baker,

and Linda Brookover. The hostesses served refreshments to the new officers and Mrs. Lucy Bond, Mrs. Pearl Kunkel, Mrs. Orrin Johnson, Mrs. Margaret Lee, Mrs. Jewel Ratliff, Mrs. Velma Ridout, Mrs. Ozell Walton, Miss Nora Rogers and two guests. Mrs. Richard Fox and Mrs. Roger Martin.

YMCA Workers Organize To Oppose Merger

A group of 150 railroad workers met in two meetings Tuesday at the Madison, Ill., Post Office to oppose the proposed merger of major railroads now before the Interstate Commerce Commission.

The group, known as the Amalgamated Railway Employees United organization elected Arnold McClure, chairman; Noah Thompson, secretary; and Richard M. Lambertson, with W. W. Martin named chairman of an action committee. The workers are employees of the Nickel Plate, Wabash and New York Central railroads.

Objecting to the merger on the basis that it will reduce the number of jobs in the area, the group plans to contact state and local officials to gain support.

The next meetings will be held at the Wabash and Nickel Plate at 7 p.m. at the Memorial center, Seventh street and Lee avenue.
